

Dear Parents & Guardians,

As you are aware your son/daughter is progressing towards the final stages of their GCSE in Physical Education (PE) at Hagley. In addition to the work being done to support them in school, I wanted to advise you on purchasing a revision guide specific to their qualification. There are a number of revision guides available; many of which are generic and claim to cover all specifications. In order to ensure that information and review questions are specific to GCSE PE (J587: OCR) which is the course they are studying, I recommend purchasing the following guide:

My Revision Notes: OCR GCSE (9-1) PE 2nd Edition Paperback – 25 Aug 2017

Arrives before Christmas. Choose delivery option in checkout.

Want it delivered by tomorrow, 19 Dec.? Order within 8 hrs 41 mins and choose One-Day Delivery at checkout.
[Details](#)

Exam Board: OCR

Level: GCSE

Subject: PE

First Teaching: September 2016

First Exam: Summer 2018

The revision guide shown above would be an ideal resource for pupils to use when they are revising the topics covered in PE lessons, preparing for end of topic tests and of course revision for their final exams. The guide gives key information in a logical format, with review questions and study hints. Pupils will be given a structured task to do during the Christmas break and I would strongly recommend purchasing the revision guide to supplement their studies.

Merry Christmas,

Mr Behan
Head of PE

Mr Capponi
Assistant Subject Leader
