Dear Parents/Carers

You may be aware that we are hosting a Mufti day on Friday 29th June. This enables the students to wear their own clothes and then give a donation to one of the Charities we support as a school. Many students look forward to these days and are no doubt planning their outfits. However, it is imperative that the students dress appropriately even if they are not in uniform.

Whilst we are currently experiencing a heat wave, I don't wish to dampen the excitement but the school expects that students will be dressed with modesty and respect. We ask that students do not wear short skirts or shorts; that tops cover all of the midriff and that students do not wear strappy tops.

We will be celebrating the feast of St Peter and Paul and we will be conducting year group masses. It is essential that students dress with respect. Should a student's clothing be deemed unacceptable then we will ask that parents bring in more suitable attire for the student to continue the day or they will be given something more appropriate to wear.

It is vitally important that we uphold our catholic values of integrity, dignity, humility and holiness. We ask that students dress for warm weather but also understand that they are in a formal educational setting where the highest expectations will be demanded.

I thank you for the support in this matter and if there are any further questions regarding Mufti day on Friday, please don't hesitate to contact me.

Yours sincerely
