Year 12 Higher Education Information Evening July 3rd – Change of Date

Dear Parents

Reluctantly we have had to change the date of our Year 12 Higher Education Information Evening which had been scheduled for Tuesday 3rd July at 7pm. I am sure that you are aware that England will be playing their Second Round game in the World Cup on that date, consequently we felt that holding the presentation on that evening would severely impact on the numbers of students and parents able to attend the talk. We apologise for such short notice, however, the evening is vital for students who are applying to university in 2019. During the evening, we will outline how the “Hagley Application System” works and outline the support available to all students in planning their lives after Sixth Form.

The new date for the Higher Education Evening will be **Monday 9th July at 7pm** in the School Hall, we look forward to seeing as many of you as possible.

Once again, please accept our sincerest apologies. Please do not hesitate to contact me if you are unable to attend the new date but would like to know more about the support we provide to our students in Year 12 and Year 13.

Yours sincerely,

Mrs K Morris
Director of Post 16 Studies
