10 September 2018

Dear Parents/Carers

As you are well aware your child has just embarked on probably the most important year of their education. The results students achieve at the end of Year 11 are critical and will determine their immediate future pathways.

With this in mind I would like to invite you to an important meeting on Wednesday 19th September at 7.00pm in the school hall. The purpose of this meeting is for us to explain the numerous requirements of Year 11 and to describe how you as parents can support your son/daughter in achieving the best possible results.

I appreciate this letter gives you relatively short notice but I wish to emphasise that it is very important that every student has at least one parent present at the meeting. We would very much like Year 11 students to attend this session together with their parents.

During the evening the school will outline each subject, describe its monitoring programme and explain arrangements for mock and final GCSE examinations.

We do not expect the evening to last more than 75 minutes but I do believe that the success of the partnership between the school and home played a large part in our record breaking GCSE results secured this year. If you require any further information, please do not hesitate to contact me at school.

Yours sincerely

S Horan
Principal
