

Remote Access: Google Chrome

Navigate to the school website and on the left hand side you will see a link "Remote Access (Staff Only)"

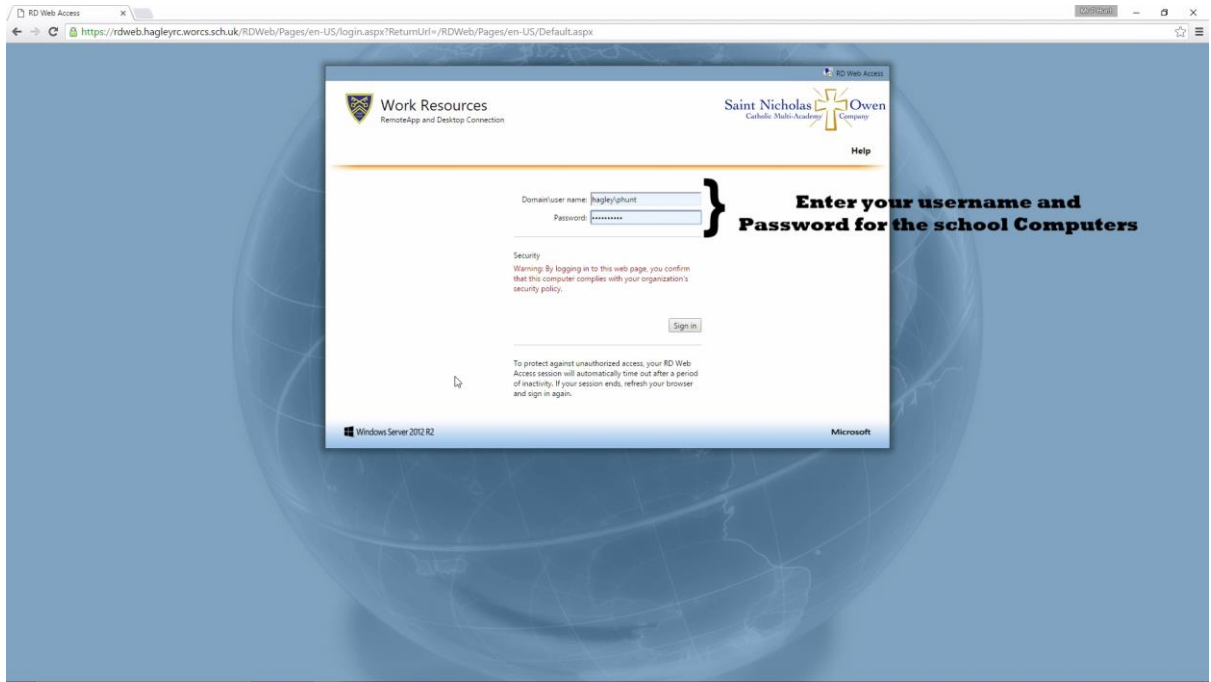

This will then take you to the page below, on that page click on the link as shown.

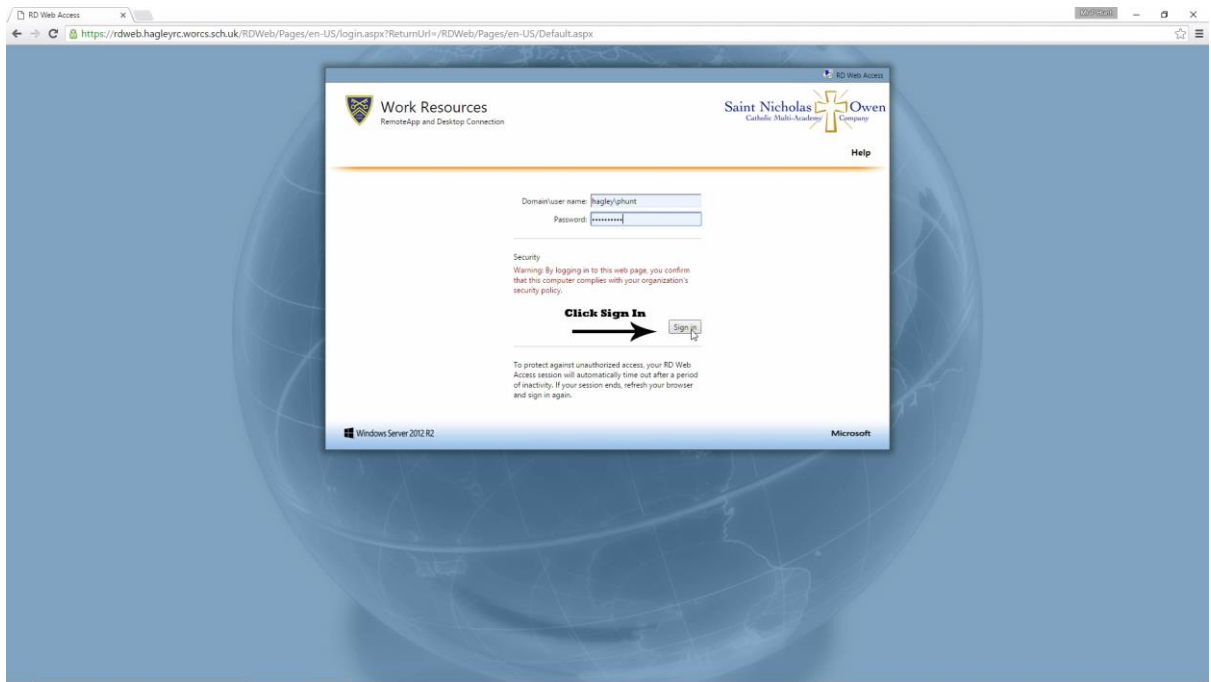

Remote Access: Google Chrome

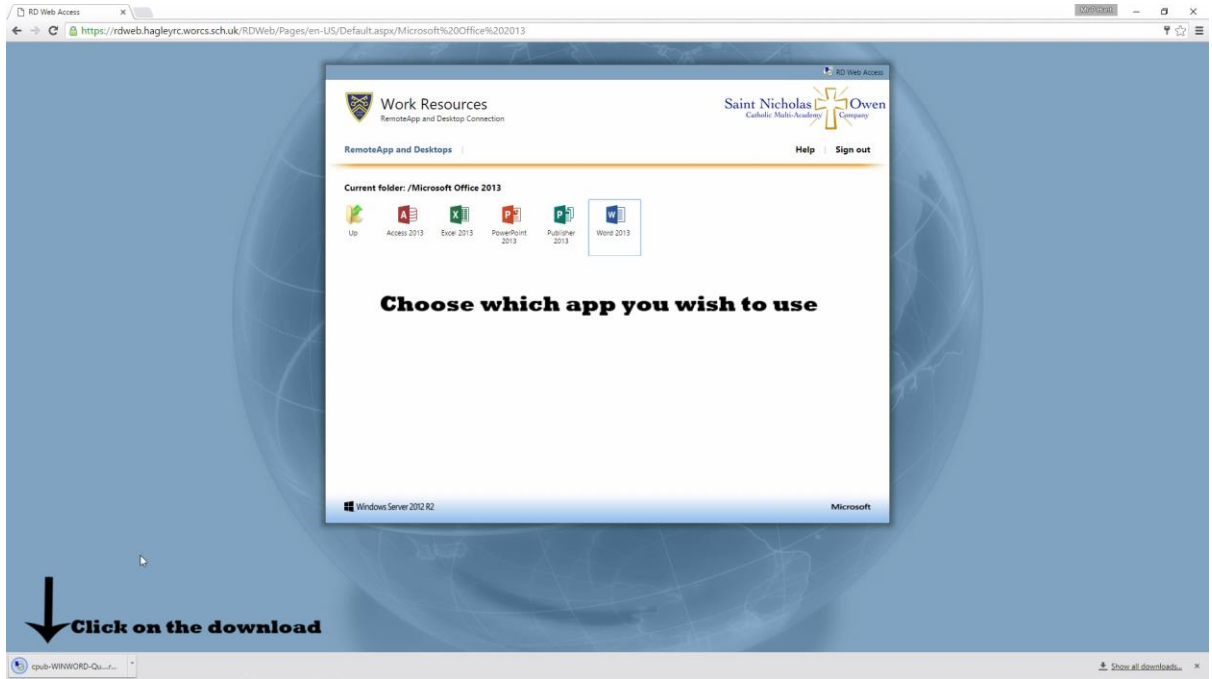

This will then take you to a website asking for your username and password. Here you will need to enter your credentials for the school computers preceded by hagley\ as per the example below.

Then simply click sign in.

You will then need to choose the program you wish to use. Then once the download has completed click on the download in the bottom left.

This will then open a pop up which you need to simply press on the connect button. Then you can simply use the program as if you were sat in the school.
