

Navigate to the school website and on the right hand side you will see a link "Remote Access (Staff Only)"

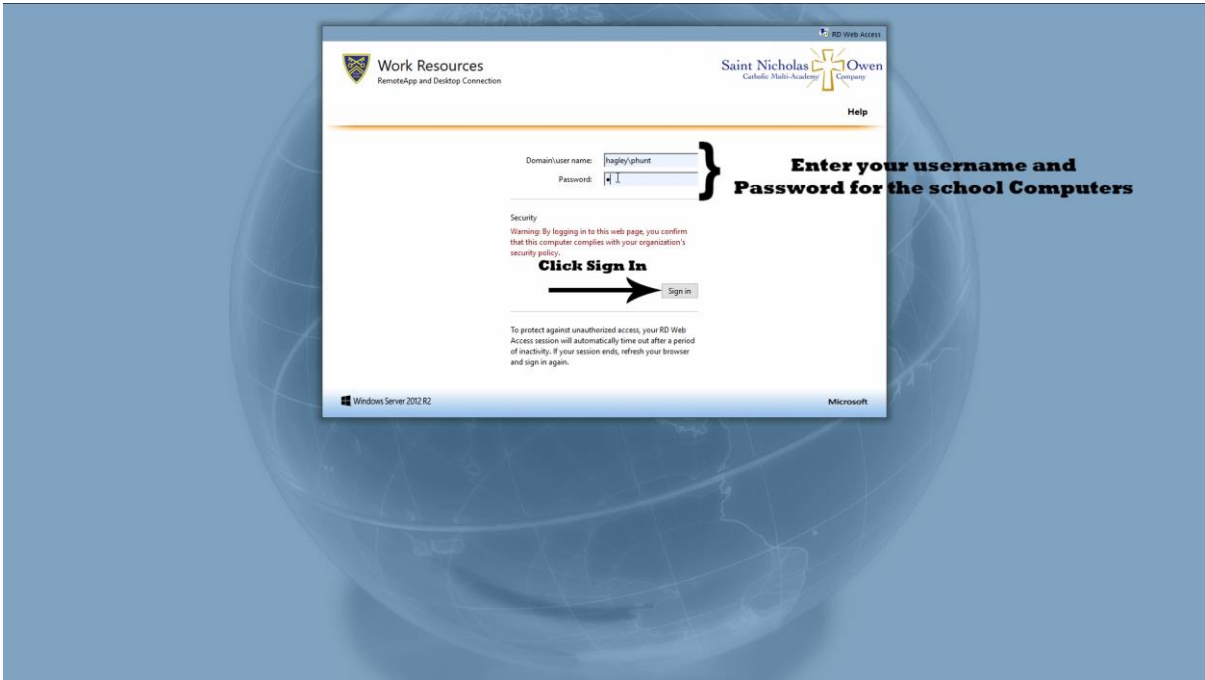

This will then take you to the below page on that page click on the link.

Remote Access: Internet Explorer

This will then take you to a website asking for your username and password. Here you will need to enter your credentials for the school computers preceded by hagley\ as per the example below. Then simply click sign in.

Select the program you wish to use. This will open a pop up, simply press on the connect button. To use as if you are in school.
