

Dear Parents & Guardians of Year 7 Boys and Girls,

Firstly I'd like to welcome you all to Hagley Catholic High School. As many of you may know, sport within the school is constantly developing thanks to the commitment and motivation shown by both pupils and staff. Although the Physical Education (PE) department is known for doing well at a competitive level in a number of sporting activities, the main focus is to involve as many students as possible.

I would encourage any pupils with a passion for sport and an interest in representing the school to participate, regardless of their perception of their own ability. In the PE department at Hagley, we look to give an equal opportunity to all of our pupils to take part and enjoy all that sport has to offer. For more information, please see the extracurricular PE timetable which is available on the school website. Please note that the activities on offer are updated each half term.

Afterschool clubs and matches will run throughout the year in a wide range of sports; details can be found on the school website, in form rooms and on the notice boards in the PE corridor. Those pupils attending afterschool clubs should make their way promptly to the PE corridor (E4) at the end of the school day, ensuring that they have the relevant PE kit to participate in their chosen activity.

Once the club has finished, pupils are required to get changed into their school uniform and make their way home. At this early stage in Year 7, I would request that pupils are collected from school by parents or guardians, however we understand that this may not always be possible. Please outline below how your son/daughter will travel home after the sports clubs. If for any reason your son/daughter would like to attend a club but is unable to do so, then please speak to one of the PE department so that we are aware of their interest.

Yours Sincerely

M. Behan
