Dear Parent,

To support your son/daughter during their studying of Key stage 3 Science we recommend you purchase the CGP Revision guide titled **'Key Stage 3 Science Higher/Foundation level'**. This will provide a valuable extra resource at home to aid with home works and revision. It covers all of the science content they need for years 7, 8 & the early part of the YR 9 course.

'Key Stage 3 Science Higher or Foundation level £4

If you would like to purchase any of these resources, please could you complete the slip below and return together with a cheque made payable to SNOMAC or you can pay using the ParentPay link on the school website

If you are unsure as to the level, please get your child to check with their science teacher. You will only be able to select the higher or foundation option, however should you wish to change the level of the guide, it can be exchanged in science department.

Yours sincerely

Mr S Creevy
